

In this 30th year of ICDM's work in Bayonnais, Haiti, we invite you to celebrate with us by joining our "30 for 30" Campaign to complete the third and final floor of the Center of Hope. As its name implies, the Center for Hope is more than just a building, but a place where hope is born. The third floor will house:

- A roofed, but open air veranda for training and fellowship.
- Solar panel array for additional electricity.
- An apartment named Hope Haven.

These additions to the Center of Hope will improve our ministry of hope by providing space for:

- Group Fellowship
- Visiting scholars and missionaries
- Pastors and families on sabbatical or retreat
- Visiting instructors

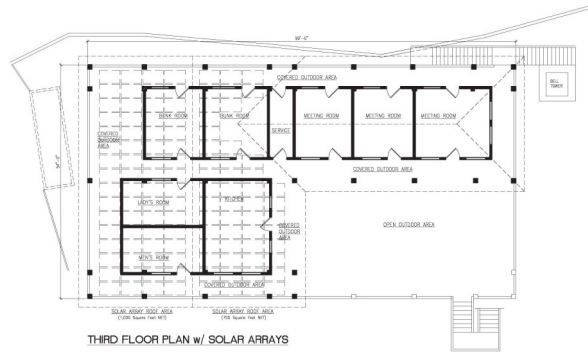

The cost for completing comes in at around \$30,000, using both local and volunteer labor. You can be a part of this great undertaking at any level that seems appropriate for your budget:

- \_\_\_\_\_ \$1000 (30 gifts needed)
- \_\_\_\_\_ \$ 500 (60 gifts needed)
- \_\_\_\_\_ \$ 100 (300 gifts needed)
- \_\_\_\_\_ \$ 10 (3000 gifts needed)

Name: \_\_\_\_\_

E-Mail: \_\_\_\_\_

Please send your gift marked "30 for 30" to ICDM, PO Box 762, Intercession City, FL 33848. You may also give online through our website. If possible, please send your gift by September 30th, 2020 in time for the celebration of our 30th Anniversary.

## 30 Years of Serving

It all began on an October day in 1989. Sitting with a few pupils under a mango tree, Francois Philippe began to teach them. This was a humble beginning for a ministry which now educates 800 pupils per year in two separate locations. Over the years, ICDM has changed the lives of thousands of young people, providing them with tremendous opportunities and changing the future of Haiti by education several generations of students.

Among our alumni are:

- Doctors
- Nurses
- Mechanics
- Businessmen
- Lawyers

All of them are helping to change the future of Haiti for the better.

Because we are a Christian ministry, we are not only educating children for a better life on earth; we are also introducing them to Jesus and training them for eternity.

An integral part of this ministry over the years has been the Center of Hope, the main building on ICDM's Campus. After years of using improvised space, the first floor of the Center was completed in 2011. This floor houses the classrooms for students in grades K-6. In 2015, the second floor was completed. This floor receives grades 7-9 and provides a large room meeting space for school, church, and seminar events as well as accommodation for adult students from throughout Haiti who gather for ministry training in Bayonnais. We hope to complete the third and final floor of the Center of Hope by 2021. We will use this space to house visiting scholars and pastors, provide extra meeting space, and erect an array of solar panels for the generation of electricity.

Throughout its history, the Center of Hope has provided space in which life-change happens. Let us share some of the aspects of that impact:

### School

We provide first-rate educational opportunities to over 800 local children, grades K-9. The school is recognized as one of the best in the region, offering the community's children hope for a better future.

### Feeding

We feed those 800 children, many of whom are food deprived, every school day, and often at other times of the year. Through our feeding program hope for nourishment is becoming a reality.

### Medical

Once housed in a classroom of the Center of Hope, our modern full staffed Medical Clinic moved to its new location just last year. We treat many, many patients every week, offering them hope for healing.

### Senior Center

The Center for Hope provides gathering space for the senior citizens of the area to give them hope in their latter years. This is the only Senior Citizens' program in Bayonnais and people come from miles away to connect with each other and with Jesus.

### Church

The Center for Hope is home to a vibrant church congregation which offers the hope of Jesus Christ to the surrounding community through evangelism and discipleship. This church offers hope not just for a better life on earth but for eternity.

### Ministry Training

Through ICDM's School of Evangelism, theological and leadership development training is offered to Christian workers of all denominations from all parts of Haiti. The Center for Hope houses this training which provides hope for all of Haiti.

The Center of Hope has offered hope to the people Haiti during much of ICDM's ministry to the people of Bayonnais and the churches of Haiti during the last 30 years. Help us continue to provide hope for the next 30 years by making your gift to the 30 for 30 Fund.
